

# INNOVATIVE ONLINE INFORMATION LITERACY

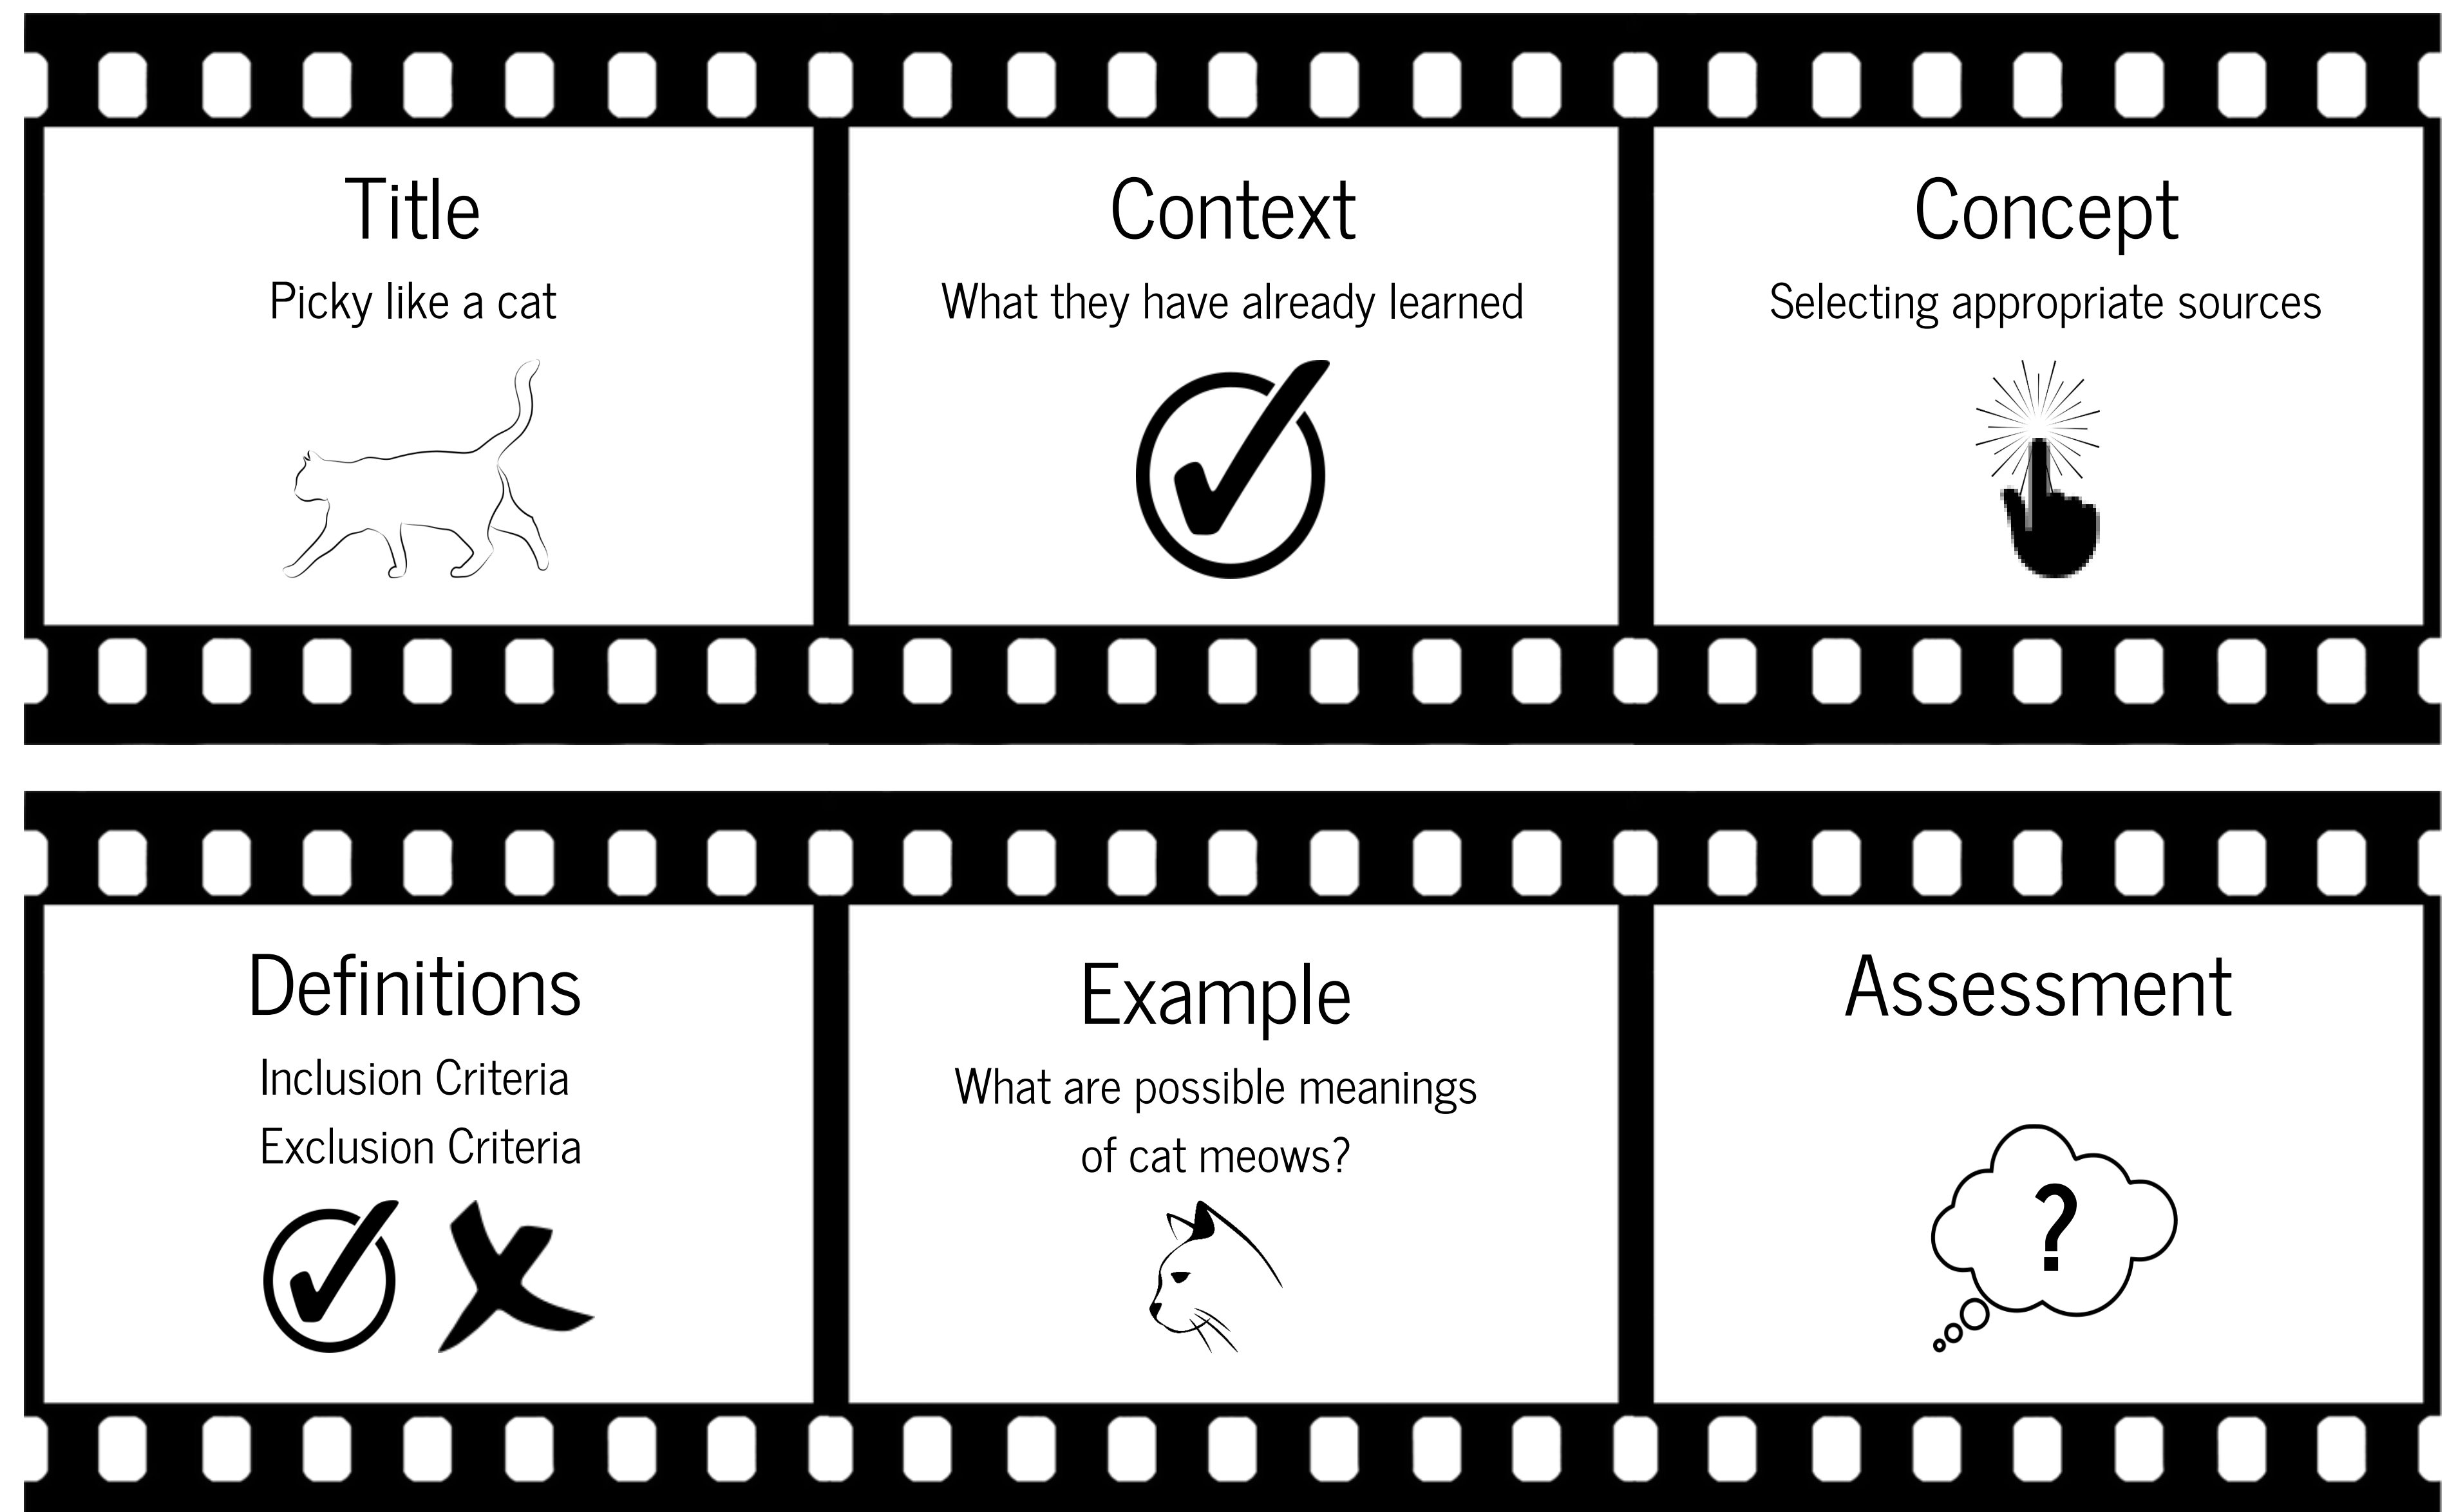

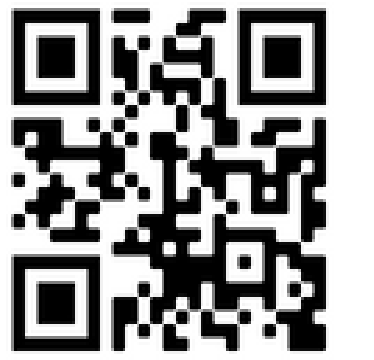

JANA SCHELLINGER  
MLIS, AHIP  
Emory & Henry College

Goal: To create an information literacy curriculum - consistent across all disciplines at the college

- Created information literacy lessons
- Mapped lessons to ACRL Framework
- Divided lessons into learning objects
- Chose learning object theme
- Created storyboards
- Put it all together in LibWizard

## Lesson: Selecting Resources

Objective: Students will use inclusion and exclusion criteria to choose resources to answer a question

These learning objects are combined to create  
**Information Literacy** lessons.  
Lessons are embedded in all **Graduate** curricula.  
Assessments will be used to evaluate  
**Information Literacy Skills.**
